The cups for best Oxford and best Welsh Harlequin were donated by Mr Tony Brown and were awarded to Tudur Roberts and Team Roberts respectively. We had 3 members stewarding for the judges at the last show, they all enjoyed themselves immensely and learnt a great deal. We would also like to thank all the judges for their time and effort and hope they will consider coming back to judge for us again in the near future. We were also fortunate enough to receive regional show status from the Poultry Club of Wales and we will also be applying for regional show status from the P.C.G.B as Gwynedd Poultry Club have renounced their participation. The Society is very proud of its members achievements and with the standard of presentation of the birds exhibited, please keep up the good work.

Since our last newsletter the committee has appointed me the new temporary treasurer (as well as my current duties as secretary) until we appoint a new treasurer at a further date. Therefore anyone with an interest in the above position please contact myself or our Chairman Mr Dilwyn Green for further information, please bear in mind that the applicant needs to of been a member for at least 12 months to ascertain the applicants commitment and intentions. We have also appointed Mr Gwyn Roberts as the show secretary, therefore from October onwards, the schedules and entry forms will be available from him, again these will also be available as downloads from the web page and facebook page.

Although members can have copies of previous meetings for reference via email, the society is unable to post out the minutes due to postage costs. Anyone wishing to propose an item for future agendas must write to me at least 7 days prior to the meeting please. We are still actively seeking new members, so please spread the word, we will be hopefully organising some poultry workshops in the future aimed at children and adults that wish to keep and/or exhibit poultry. Dates and venues will be on the website when available.

The website is now fully updated and will continue to be updated regularly. We have received a number of donations from local companies, please visit our website for details. Please note our membership form is available as a download on our web page www.Angleseypoultrysociety.com as well as copies of our child protection policy and constitution, please note that the constitution will be reviewed and updated within the next few months. We have also appointed 2 new youth officers onto the committee, their roles will be to gather new junior and juvenile members as well as organising poultry related activities, all details will be put on the website.

Yours Sincerely

Mrs W Roberts

Secretary
